

## *Welcome to the Schwaben House.*

We thank you for your patronage, and look forward to serving you this evening. We opened this restaurant in 2009 with a dream of bringing something fresh and new to Greenville's culinary scene: a modern, German-European restaurant that extended beyond the stereotypical conception of German cuisine as "brats and beer". After many years of toiling since our humble beginnings on Pelham Road, we are now proud to have made that dream a reality.

From classics such as our "Maultasche", traditional fare straight from the heart of Swabia, to inventive new arrangements such as our dijon-cruste Salmon, each of our dishes are prepared with the finest, most fresh ingredients incorporating the vision of Chef Robert. We consider our food and ambiance an art, and endeavour to bring you an atmosphere of what the Germans term "Gemütlichkeit" - pure comfort.

We invite you to think of dining with us an experience, to pause and linger in the company of your family and friends, as we guide you through a unique culinary adventure, unlike any other in the Upstate.

Herzlichen Dank, und guten Appetit.
